ELECTRONIC SURVEILLANCE

JUNE

Reference is made to the memorandum from Mr. Fred M. Vinson, Jr., Assistant Attorney General, Criminal Division, dated October 29, 1968, requesting electronic surveillance information on the above individual who is the subject of investigation.

Anthony J. Spilotro, while not the subject of direct electronic surveillance coverage, did participate in conversation in the presence of a microphone installed to afford primary coverage in the residence of Frank Lang Rosenthal at Miami, Florida. This microphone, which involved trespass, was installed under the general authority of the Attorney General and was in operation intermittently from July 7, 1964, to July 12, 1965. The Attorney General was advised of this coverage in my memorandum dated April 12, 1965, and he approved of its continuation.

None of the information from this microphone pertinent to Spilotro was disseminated to any agency nor was it included in any report prepared by the FBI.

It is assumed that you have made similar electronic surveillance checks of other Federal investigative agencies concerning captioned individual.
